Exterior View of Attractive Building Housing Tri-State Hospital
One of the most commodious hospital buildings in this section. 125 patients' private, three major operating rooms, and many other notable facilities are installed in this modern institution.

Dr. J. C. Willis, Sr.
President
Recognized as one of the South's leading physicians and surgeons. Well known throughout the United States.

Mrs. Cora L. Britain
Manager of the Tri-State Hospital and an outstanding business woman of wide experience.

Mrs. Louise Gehlen Fry
Hospital Superintendent, and a popular figure in the medical world over a long period of time.

Dr. J. E. Knighton
Vice President
A prominent physician and specialist, whose leadership is acknowledged wherever he is known.

Dr. W. S. Kerlin
Treasurer
One of North Louisiana's most popular medical men, with many notable achievements to his credit.

THE management, staff and nurses of the beautiful new Tri-State Hospital extend to every citizen of Shreveport, North Louisiana, South Arkansas and East Texas, a cordial invitation to visit the institution today, and rejoice with us in the expansion of our facilities for rendering a more highly specialized service to suffering humanity. Inspect the 125 comfortably furnished patients' rooms, the three modernly equipped major operation rooms, the minor operation chambers; the cheerful sitting rooms on every floor; the spacious classrooms, the diet kitchen, one of the finest in the country, with every facility known to modern science. See the X-ray and emergency rooms. Visit the offices. Make a complete tour of the building from the top floor down. Stop awhile on the roof garden. Acquaint yourself with the splendid equipment installed to perfect our service. Meet the management, the doctors and the corps of nurses.

Consider the Tri-State YOUR Institution---Dedicated to Your Service!

Dr. J. C. Willis, Jr.
Secretary
Who has made a notable record of success in his career as a physician-surgeon in these parts.
